

The Man Who Didn't Think To Say Anything

Lie, actually.

Though he claimed to be no Nosy Nora,
Truth is he ALWAYS thought to say something!

But...didn't.

Friend Cliff-O spat that he could've helped others.

He...supposed.

They agreed on an experiment: a week in which
he'd
speak up, to thus aid his fellow man and woman!

Cliff felt that since he was remarkably ugly, this
new
altruism would make him pretty.

Quite the opposite, it works out, so go figure!
